SPONSORSHIP PROPOSAL

TAKE PART IN THE LARGEST LPG CONGRESS OF LATIN AMERICA

The AIGLP Congress is recognized as the most important annual event of Latin America in the LP Gas industry. A unique moment to meet high executives of the sector, discover new technologies and do good business with the leading companies of the industry. The great results delivered year after year make the event more promising at every edition, motivating more exhibitor companies and attracting more visitors.

This year's event gathered 48 exhibitor companies and more than 600 visitors from 27 countries.

Participating in the AIGLP Congress as lecturer or exhibitor represents a great opportunity for the company to broaden its visibility and strengthen its image in the market.

ATTENDING PUBLIC

The event gathers around 600 representatives of the industry to discuss relevant topics of the sector. These are professionals of several companies and government bodies divided as follows:

Executives of the main liquefied petroleum gas distribution companies existing in countries of many locations around the world: South America, Central America, North America and Europe

Representatives and managers of business in the technical areas of the LP Gas industry of all Latin-American countries.

Important authorities and representatives of government and regulation bodies from these countries, their ministries and other related entities.

PLACE AND DURATION

Ten years later the Congress of the AIGLP returns to Lima, where in 2009 we made one of the most important events of the association.

The event will be held between the 20th and 22nd of march at the WESTIN LIMA HOTEL & CONVENTION CENTER in San Isidro.
